

Indigenous Shirt Order Form

We are pleased to present to our families and school community a new school shirt designed by our students. The shirt came from an idea during preparation for Reconciliation Week activities. A competition was held to design an additional school t shirt that reflected reconciliation in our school. This is the design that was chosen to be part of our school uniform range for **\$42.00 each**.

This shirt represents our learning at Port Lincoln Primary School. The land and the plants symbolize our growth as students in all areas of learning. Our teachers and SSO's are reflected through the sun's rays, which provide us with the warmth to help us grow. We learn, play and move together through the year levels, side by side as one on our journey through primary schooling. We are always working together to create a sense of belonging for all students to feel valued and safe. Here, individuality and creativity is encouraged to help us be inspired by what we may aspire to be when we grow up. The Port Lincoln Primary School values diversity of culture and here, we are one but we are many. We are the students of Port Lincoln Primary School.

<i>Journey (Year 3-7)</i>	Classrooms	Creativity	Reconciliation	Sun's rays (teacher and SSO's)	The land and the plants (growth)

Shirts in Sizes 6 – 3XL available to try on in the front office.
(Shirts seem to be a little smaller than school polo shirts)
