

Intention To Enrol

The partnership of Port Lincoln Public Schools believe that the continuity of learning is important for all students. Children learn best when they have strong and enduring connections with their neighbourhood school. This stability leads to successful learning outcomes.

The Principal of Port Lincoln Primary School will contact the Principal of the student's current school before determining whether to accept your child's enrolment. **We will be in contact with you within 7 days of receiving the intention to enrol.**

STUDENT INFORMATION
