Primary School

Code of Conduct

Movement

We move without disturbing either people or equipment.

Communication

We talk and listen in a way that respects the rights of others.

Treatment

We treat all people and property with fairness and respect.

Safety

We work and play responsibly to ensure a safe environment.

Problem Solving

If we have a problem with another person, we talk it over calmly.

If we are unable to resolve the problem ourselves, we will seek help from another adult.

Learning

We respect the rights of all students to learn and for teachers to teach.
